

Want to host a training session?

We can provide a secondary training or an elementary training for your school or district.

What we need from you:

- **A group of at least 50 elementary educators or 50 secondary educators to train.**
- **A designated block of time with those educators, preferably 8:30am – 3:00pm.**
- **A facility that has AV and seating for small groups.**
- **Assistance with coordinating logistics.**

What we provide:

- **Our trainers (all of whom are current or former educators) to conduct the session.**
- **An interactive, engaging learning experience for you and your colleagues.**
- **Guided collaboration time so you can plan implementation strategies unique to your school.**
- **A thumb drive and resource book for each person in attendance.**
- **Reimbursement of substitute costs if needed.**
- **A light lunch for all attendees.**

How to book a session:

Email info@themedalofhonor.com

Send your desired date, the number of people you would like trained, and the facility you have in mind.

Don't have 50 educators? We are open to bringing a training near you and doing public advertising or working together on an alternate solution. Reach out and ask!
